2 bedroom flat - conversion for sale

Property Details

This exceptional split level apartment offers incredible living space with some serious wow-factor: stunning, huge windows, typical of school conversions, flood the entire space with natural light, and come together with the double-height ceilings to create a wonderfully bright atmosphere. The recently-fitted kitchen has striking dark units with a high standard of fittings, trendy copper handles and glossy, granite worktops that add a sense of luxury. The kitchen has been designed with both style and practicality in mind, with integrated appliances and ample storage space throughout. A spacious family bathroom completes the rooms on this floor, finished to a high standard, in keeping with the rest of the apartment. Upstairs, the two double bedrooms are quietly positioned above and both benefit from trendy, Crittel-style windows that have been fitted for added privacy as well as a sense of flair. The master bedroom is generous in size with fitted wardrobes and a beautifully finished en-suite shower room. The second bedroom is a similarly-sized room which can be hard to find and lends itself perfectly to use as a guest room, nursery, home office or indeed to rent out if required. With two well-proportioned bedrooms, two bathrooms and an impressive living space, this quirky apartment will tick boxes for a wide range of purchasers. This property also benefits from manicured grounds, off-street parking options and the security that this peaceful gated development provides.
